

MATHS FOR GRANTED EASTER GCSE MOCK EXAMINATIONS 2023 FEEDBACK

Grade Boundaries:

| | | | | | | | | | |
|-------------------|----------|----------|----------|----------|----------|----------|----------|----------|----------|
| | 9 | 8 | 7 | 6 | 5 | 4 | 3 | 2 | 1 |
| Foundation | | | | | 165 | 132 | 097 | 063 | 028 |
| Higher | 195 | 161 | 127 | 099 | 071 | 043 | | | |

These grade boundaries have been found using the mean average for the last 6 Edexcel GCSE Mathematics Examinations 2017- 2019 (Pre Covid). On 29th September 2022, the DFE Ofqual and JCQ released confirmation that included the decision:

“The grade profile for GCSEs and A levels in 2023 will return to the 2019 grade profile, as expected, with an additional safety net to ensure that overall grades are not lower than in 2019.....”
